Los informantes (Spanish Edition) Juan Gabriel Vásquez

Una apasionante historia de traiciones privadas y públicas, de tensiones familiares que abarcan a toda una sociedad. Y, sobre todo, un examen sin concesiones de uno de los episodios más ambiguos y menos explorados de la historia colombiana reciente.

Cuando el periodista Gabriel Santoro publicó su primer libro, no pensó que la crítica más destructiva fuera a ser escrita por su propio padre. El tema de su libro parecía inofensivo: la vida de una mujer alemana que llegó a Colombia poco antes de la Segunda Guerra. Pero el padre de Santoro se sintió traicionado. ¿Por qué? En el libro hay algo que Santoro no había previsto. Entre las frases se esconde un secreto.

Ahora Santoro ha empezado a descubrir cuál es. Mientras se interna en el corazón de la vida de su padre, mientras revela los secretos del presente, otras cosas irán saliendo a la luz: las formas en que la guerra que ocurría al otro lado del mar invadió la vida de quienes estaban de este lado; los sucesos de la década de los cuarenta, que en Colombia «destruyeron familias, trastocaron vidas, arruinaron destinos», etc.

Reseñas:
«Una poderosísima historia sobre los años inmediatamente posteriores a la Segunda Guerra Mundial. *Los informantes* es testimonio de la riqueza de la imaginación de Vásquez así como de la elegancia y sutileza de su prosa.»
Mario Vargas Llosa

«Una vuelta de tuerca a la violencia colombiana, para mostrarnos su aspecto más insólito y desconocido. Ficción y realidad se entremezclan como nunca en una novela perturbadora y apasionante.»
Alfredo Bryce Echenique

«Un estudio brillante y aterrador.»
John Banville

«Para quien ya haya leído las obras completas de Gabriel García Márquez y esté a la busca de un nuevo novelista colombiano, *Los informantes* de Juan Gabriel Vásquez es un magnífico descubrimiento.»
Colm Tóibín

«Brillante novela literaria sobre la culpa y la pena y el arte o la necesidad de olvidar. Esto es literatura en su estado más puro. ¡Qué fascinante libro!»
Anne Jongeling, *UN*

«*Los informantes* ha dado con el cauce idóneo para advertir que en el juego de profanar la memoria histórica vale cualquier trampa.»
Javier Aparicio, *El País*

«Similar a *La mancha humana* en forma y personalidad, la novela también es parecida en su intención a *Austerliz*, la obra maestra de W.G. Sebald, y este no es un elogio pequeño »
Jessica Nero, *Waterstone's Books Quaterly*

«El examen de las consecuencias que un solo acto puede tener, no solo para el que lo comete sino también,

por efecto dominó, para los demás, nos trae al territorio de *Expiación*, de Ian McEwan.»
Nick Caistor, *The Guardian*
