The Art and Making of Hotel Transylvania

Tracey Miller-Zarneke

The Art and Making of Hotel Transylvania Tracey Miller-Zarneke
The Art and Making of Hotel Transylvania brings to (undead) life a fresh new spin on the classic horror monsters like Dracula, Frankenstein, the Mummy, Werewolf, and the Invisible Man from Sony Pictures Animation and director Genndy Tartakovsky - creator of Samurai Jack and executive producer and director of Star Wars: Clone Wars animated series.

The story features Dracula, owner of a lavish five-stake resort hotel for monsters, away from the human world. On one special weekend, he invites some of the world's most famous monsters to celebrate his daughter's 118th birthday. For Drac, catering to all these monsters is no problem, but his world could come crashing down when one ordinary guy stumbles into the hotel and takes a shine to his daughter, Mavis.

Featuring over 400 pieces of concept art, character sketches, storyboards and digital art, along with interviews with key filmmakers and crew, this full-color book is truly a spooky but fun treat for the eyes!
