The Great Paris WalkPack Geoffrey Howard, Carole Howard
The Great PARIS WalkPack is the ultimate user-friendly guide to walking in five different Paris neighborhoods. It contains five individual full-color foldouts that are easy to read, easy to carry, but impossible to forget.

The five walks cover both well known landmarks like Notre Dame, the Pantheon, and Sacre Coeur, and also many of the little-known squares and small streets on the Right and Left Bank that make Paris Paris.

Each walk tells you where to go and what you're looking at, while providing interesting and lively background anecdotes. With beautiful photographs and an impossible-to-get-lost neighborhood map, it's the next best thing to having your best friend (who knows Paris inside and out) walking by your side.
