The Great Divorce: A Nineteenth-Century Mother's Extraordinary Fight against Her Husband, the Shakers, and Her Times Ilyon Woo
Ilyon Woo's *The Great Divorce* is a dramatic, richly textured narrative history of early America's most infamous divorce case. A young mother singlehandedly challenged her country's notions of women's rights, family, and marriage itself—all in a bid to win back her kidnapped children from the celibate, religious sect known as the Shakers. Pulling together the pieces of this saga from crumbled newspapers, Shaker diaries, and long-forgotten letters, Woo delivers the first full account of Eunice Chapman's epic five-year struggle. A moving story about the power of a mother's love, *The Great Divorce* is also a memorable portrait of a rousing challenge to the values of a young nation.
