JHU Talent Development's Standardized Reading Practice Tests provide periodic assessment of students' progress in reading comprehension and reading vocabulary resulting from implementation of Student Team Literature. In addition, they allow students to practice taking standardized tests within the context of the pieces of literature they are reading, without interrupting instruction or "teaching to" a particular test. Each package includes reproducible student test pages and teacher's answer pages in one handy bound volume, and also supplies teacher information including test administration tips, a breakdown of vocabulary and reading comprehension questions, and a handy fill-in chart for analysis of student skills mastery at a class-wide level.
