Eat at Joe's: The Joe's Stone Crab Restaurant Cookbook Jo Ann Bass, Richard Sax
Joe's Stone Crab Restaurant is the third-largest-grossing restaurant in the country First opened in 1913, in what was then a quiet, backwater town, Joe's Stone Crab Restaurant was the first to discover and serve up Miami's native delicacy, the stone crab. The boom in popularity of that simple dish - served chilled with Joe's special mustard sauce - coincided with the boom of Miami Beach itself. Eat at Joe's is packed with little-known history, scintillating anecdotes, and 50 recipes that have kept the name "Joe's" on every food lover's lips. This new edition, redesigned in a larger format, contains an epilogue and current photos of the restaurant and its celebrity clientele. "A great restaurant - maybe the greatest restaurant - now finally has a great cookbook to match its menu." - Larry King
