Ganns Scientific Methods Unveiled: Volume 2 Patrick Mikula
This is volume 2 in a two volume series. These were the first books devoted entirely to the topic of W.D. Gann's financial astrology methods. The original edition was written in 1996 and during the periods when this book was out of print the hardcover two volume set sold on used book sites for as high as $450 dollars. We have now reformatted this book in ebook format and are making it widely available again. The legendary trader W.D.Gann used financial astrology methods which he discussed in private letters and personal correspondence. This book was written with the beginner in mind. There is no prior knowledge required to understand the financial astrology methods presented. Everything is presented in simple language. You will learn about Gann's Circle Chart, how planet lines are drawn on a price chart and in chapter 8 you will learn the forecasting method that uses W.D.Gann's 20 Year Master Forecasting chart. See the table of contents for more. Notice: This book was created using Kindle Format 8 and uses an embedded font.
