The Sleeping Pill in a Storm Alicia Humphries
WARNING FOR OVER EIGHTEENS ONLY!!!

This is a work of fiction. All characters depicted are over the age of eighteen.

None of the characters are related to each other.

This work contains graphic descriptions of sexual acts and may be found to be offensive to some readers.

Another hot taboo story from Alicia.

Leanne is phobic about many things. One of the things she fears is thunderstorms. Especially tonight's thunderstorm since her mother will not be at home to help her through it.

Fortunately her mum's boyfriend will be staying over to look after her.

Things soon get surreal when Garth admits he's not too keen on storms either and has a unique way of coping.

Things are about to get very interesting in more ways than one.

Enjoy! Love Alicia xxxx
