Americans With Disabilities Act (Legal Almanac Series) Margaret C Jasper
In the past, disabled individuals have faced a wide variety of obstacles that prevented them from fully participating in all that American society has to offer. They have struggled with obtaining employment, and have been denied access to many services most Americans take for granted. In this publication, Margaret C. Jasper examines the Americans with Disabilities Act (ADA) and discusses the rights disabled individuals are entitled to under the statute.

This easy-to-use resource is packed with facts on areas governed by the ADA including employment, public entities and transportation, public accommodations, state and local government services and telecommunications.

Ideal for anyone interested in this area of law, this newly revised second edition includes coverage of the latest information regarding the ADA.
