Deadly Rhymes (Deadly Rhymes Trilogy) Cory Blystone

After the Hollins family moved into an old house on Song's End in the little town of Ravenwood, Washington, Sheree thought the hectic life she had in Seattle would finally be behind her. She was wrong. At first she didn't want to believe that their house was haunted, however the first night she heard a small child singing a creepy rendition of a children's lullaby quickly changed her mind. So twisted. So evil. So deadly. Is there any way she can rid her life of the ghost determined to haunt her, or is she doomed to suffer until she too falls victim to its wrath?
