Mark Lerner's Zen Astrology 2008 Calendar Mark Lerner
The innovative, user-friendly Mark Lerner's Zen Astrology of the Natural World 2008 wall calendar is a tour de force - linking the cosmos to earth, astronomy to astrology, and historical cycles to contemporary life. Major celestial alignments are highlighted and interpreted, and the pioneering use of icons allows for at-a-glance astrological assessment of what each calendar day has in store. This second edition - highlighting the Zen Astrology of the Natural World - is offered with a special bonus: Receive two free color birthcharts via email when you order a one-year subscription to Mark Lerner's immensely popular astrology website. Mark Lerner has been a professional astrologer with a worldwide practice for over three decades. He is the author of "Mysteries of Venus" and publishes the well-respected Earth Aquarius News astrology journal and website. Sample caption: "Within your own being are various mountains that need climbing for you to reach a pinnacle, peak or summit. You may call these important work projects, career aims or professional ambitions. No matter what name you give to these aspects of your life, the direction you are traveling is up - toward higher realization, reaching a milestone or experiencing an initiation into a great mystery tradition within the heart and soul of humanity..."
