Penguins of South Africa 2017: African Penguins in Their Natural Habitat (Calvendo Animals) Sharon Poole
African Penguins live in colonies on the coast of southern Africa. They are sometimes called Jackass Penguins due to their donkey-like call. The penguins nest in burrows where they lay two eggs. African penguins are now considered endangered due to loss of habitat and over-fishing. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
