The Billionaires' Executive Sweet (7 Book Series) Alexis Adaire
From Book 1:

Exotic travel, expensive clothes, hot sex with five billionaires... who needs love?

Chelsea Broussard can't decide which is worse, her sexual drought or her low-paying job. After a chance meeting with a wealthy businessman who promises to change her life, she's forced to choose between her old status quo and a new mysterious life as a playmate for five **alpha billionaire** executives — a job that would surely lead her into some extremely exciting and possibly bizarre situations.

In **The Billionaires' Executive Sweet, Book 1**, 26-year-old Chicago travel blogger Chelsea finds herself in the middle of an incredibly hot spur-of-the-moment sexual encounter with a mysterious **alpha male billionaire** who vanishes immediately afterward. Weeks later, he reappears to escort Chelsea to a meeting with four of his **alpha billionaire** friends, who have a proposal for her: They need a companion to accompany them on their occasional deviant sexual escapades, someone who is as open-minded and adventurous as she is beautiful. And they're willing to pay an absurd amount of money for this short-term position. Chelsea is forced to decide on the spot, with the course of her life hanging in the balance.

Warning: ADULTS ONLY! This story was written for adults 18 and over and includes very hot, very explicit sex scenes.
