Glimpses of another world. Visions of a bloodbath ...

In the aftermath of a shocking murder, Nick and Juliet handle their lives in almost opposite ways. Everything is finally on the up for Nick, now that he has full-time work, stronger relationships, and even a girlfriend. So when a romantic weekend away turns into a bloodbath, he's left disillusioned ... and with the fear that someone is targeting him.

For Juliet, the things she has witnessed still haunt her, and the deceit she has suffered feels fresh. Struggling to keep her life in order, she attempts to regain confidence by learning to control her ability. Not only that, she tries out something she has avoided for a long time. Dating.

But neither Nick nor Juliet can forget what they experienced together, what they glimpsed of the Otherworld. And as events unfold, it becomes apparent that the Otherworld hasn't forgotten them either ...
