A Lifetime Last Night David Homick
The past is past; what we do next is all that matters ...

Every choice has a consequence, a notion Richard Dunham refuses to acknowledge even as his twenty-five-year marriage to college sweetheart Emily falls apart. Forced into a homeless shelter when Emily throws him out, Richard has an unexpected encounter with an eccentric old man who offers him a rare opportunity.

A fatal accident leaves Richard between two worlds, but he refuses to leave this one before making things right with Emily. Left with only one option, he embarks on a mission to reclaim the heart of the only woman he's ever loved, while trapped in the body of a man she's never met--the man involved in her husband's death.

With time running out, Richard must navigate a minefield of obstacles that stand in the way of reclaiming everything he once held dear. A shocking discovery offers hope, but is it too late? Will Richard let his past determine his future, or will he discover that it is never too late to be what he might have been?

A Lifetime Last Night is an inspiring story of the power of love and one man's realization that everyone has the ability to choose their own destiny.
