A hilarious novel that will make you think twice about being a) an au pair, b) a mother, or c) without an au pair ever again

And God Created the Au Pair chronicles two years in the lives of Charlotte Bailey and Nell Fenton, sisters separated from each other by an ocean and from their sanity by their children. Charlotte is lucky enough to enlist three au pairs, but still must contend with nosy neighbors, a fixer-upper that refuses to be fixed, and a lazy brother-in-law who refuses to leave. Through it all, both sisters are determined to remain the elegant, creative, and wonderful mothers they truly are . . .
