Book 3 in the Shelby Nichols Adventure Series

Shelby has her hands full managing her new agency, but she's determined to make it work. Her first case to track down stolen money leads her into the lingerie business where nothing is as it appears. She also finds plenty to keep her busy with the police department and Detective Harris. But all that pales in comparison to what she must do to help Uncle Joey, the local mob boss. When Chris receives threatening notes, and Hodges turns up dead, it is up to Shelby to determine what is going on and who is behind it all. It seems the past has a way of catching up with her. Soon, Shelby must use all her wits to stay alive, and her only option? Lie or Die.
