Methods in Human Geography: A Guide for Students Doing a Research Project

Robin Flowerdew, David Martin

Methods in Human Geography: A Guide for Students Doing a Research Project Robin Flowerdew, David Martin
Provides an accessible guide to a wide variety of contemporary research methods, together with practical advice on choosing a topic and producing the written report. The text provides an overview of both qualitative and quantitative techniques, together with guidance on how to pursue each approach further. As such it will prove of great value not only to human geography students, but as an introduction to research methods for all students preparing a dissertation.
