Mind, Matter and the Implicate Order (The Frontiers Collection)

Paavo T. I. Pylkkänen

Mind, Matter and the Implicate Order (The Frontiers Collection) Paavo T. I. Pylkkänen

This accessible and easy-to-follow book offers a new approach to consciousness. The author’s eclectic style combines new physics-based insights with those of analytical philosophy, phenomenology, cognitive science and neuroscience. He proposes a view in which the mechanistic framework of classical physics and neuroscience is complemented by a more holistic underlying framework in which conscious experience finds its place more naturally.
