Saved By a Cowboy

Tina is an unhappy young adult who was adopted into a white family. Her parents want the best for her but fear that she won't find a husband in their little western town. Because of this, they set her up to be a mail-order bride, which means that she will have to marry someone that she has not chosen for herself. She does have two friends, though, Kate and Eric, who are very supportive. One afternoon when they are out at a picnic she meets the man of her dreams. A cowboy! But how to get around the fact that her parents still want to choose her husband?
Tina ends up making a plan that will allow her to marry her cowboy and make off with enough money to start a new life.
