The Gods Were Astronauts

Erich von Daniken

The Gods Were Astronauts Erich von Daniken
In The Gods Were Astronauts, Erich von Däniken investigates a mystery that has fascinated humankind for millennia: who, or what, were the Gods described in ancient stories?

Erich von Däniken has exhaustively researched and analyzed the great world religions, their myths and belief structures, in an effort to find an answer to a question that has fascinated humans for millennia: who, or what, were the Gods described in ancient stories?

His extraordinary conclusion? The Gods were not metaphysical beings born of humanity's overactive imagination, but extraterrestrials who left traces of their presence everywhere on Earth.

The book includes:

---The suggestion, based on a thorough examination of ancient texts, that alien beings employed high-tech vehicles in epic aerial battles

---Compelling evidence that the Gods used awesome weapons of mass annihilation, both against themselves and humankind

---A radical new interpretation of evolution on Earth that contradicts both established religions and modern science

From reader reviews:

Theodore Huff:

Here thing why that The Gods Were Astronauts are different and trusted to be yours. First of all reading through a book is good nonetheless it depends in the content of it which is the content is as yummy as food or not. The Gods Were Astronauts giving you information deeper and different ways, you can find any e-book out there but there is no publication that similar with The Gods Were Astronauts. It gives you thrill looking at journey, its open up your eyes about the thing in which happened in the world which is possibly can be happened around you. You can easily bring everywhere like in area, café, or even in your approach home by train. When you are having difficulties in bringing the paper book maybe the form of The Gods Were Astronauts in e-book can be your alternative.

Edward Roth:

This The Gods Were Astronauts tend to be reliable for you who want to be described as a successful person, why. The main reason of this The Gods Were Astronauts can be one of many great books you must have is giving you more than just simple reading through food but feed a person with information that perhaps will shock your prior knowledge. This book is usually handy, you can bring it almost everywhere and whenever your conditions in e-book and printed kinds. Beside that this The Gods Were Astronauts giving you an enormous of experience for example rich vocabulary, giving you trial run of critical thinking that we realize it useful in your day action. So , let's have it and luxuriate in reading.

Donald Tuel:

People live in this new day of lifestyle always make an effort to and must have the spare time or they will get great deal of stress from both daily life and work. So , when we ask do people have spare time, we will say absolutely of course. People is human not just a robot. Then we inquire again, what kind of activity do you have when the spare time coming to a person of course your answer will certainly unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, the actual book you have read is definitely The Gods Were Astronauts.

Lillie Stein:

That reserve can make you to feel relax. This specific book The Gods Were Astronauts was bright colored and of course has pictures around. As we know that book The Gods Were Astronauts has many kinds or category. Start from kids until teens. For example Naruto or Private eye Conan you can read and think you are the character on there. Therefore not at all of book are make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book in your case and try to like reading that will.
