Excerpt from New Catholic Church With Thoughts on Theism and Suggestions Towards a Public Religious Service in Harmony With Modern Science and Philosophy

"Great thoughts are heaving on the world's wide breast;
The Time is labouring with a mighty birth;
The old ideas fall!
Men wander up and down in wild unrest;
A sense of change preparing for the Earth
Broods over all"

Dr. Charles Mackay.

"What is to be the future of the Christian religion? Is it to survive and govern the new world which we can discern as it rises swiftly and portentously out of the old? Or is it even now perishing, and are we the spectators at the fifth act of a tragedy that has lasted eighteen hundred years?

"That some exceedingly great change is coming over the spirit of mankind no one can doubt who has considered by what signs former revolutions in religion have been attended. The matter, indeed, is so clear, that men of every Church are beginning to ask themselves, not whether a change is coming, but how they are to meet it? What must be surrendered? Can ought be saved?" Rev. William Barry.
