Jeff Lemire

Old Man Logan (2016-) #7 Jeff Lemire
This is Logan at his most fundamental: back to the wall, his survival riding only on his wits, his determination and his Adamantium claws. When Lady Deathstrike and her murderous gang of Reavers follow Old Man Logan to the isolated town of Killhorn Falls, it's up to Logan to fend off his attackers while protecting the civilians—including the girl who will one day grow up and become his wife. It's the ultimate cage match…and EVERYTHING Old Man Logan cares about is on the line!
