Roots of Transformation: Negotiating the Dynamics of Growth Robin Stockitt
The call towards transformation lies at the heart of the Christian message. It is a call to create something beautiful that bears all the hallmarks of the kingdom of heaven. The journey towards transformation however is a demanding one, requiring us to engage in a process of negotiation with a number of key issues. These issues cluster around the themes of Narrative, Permission, Discomfort, Culture, Language, Other, and Silence. This book explores these themes in the company of brave individuals who have shared their own stories as well as some significant thinkers who have already left their mark on our world.
