The Gift of Health

The Gift of Health Richard H. Dominguez
The health of Christians has been an important item in the life of most churches. We pray for the sick, ask God to heal the sick, try to figure out why a member is ill, and buy health insurance premiums. Churches in one tradition demand that God heal the sick. Churches in another tradition still honor the request for the elders to pray over the sick. We as individual Christians eat well--probably too well--and most of us know we should exercise more. So what about our health? Dr. Richard H. Dominguez gives some spiritual answers which are valuable today more than ever.
