We Hold These Truths to be Self Evident...Where is the Self in Government? Mr Rob Wright
Our nation needs healing... We have tried many different avenues in which to ensure a better future from new legislation, protests and debate, and new leadership without much progress. It is time to look into our Self and the Self of our government, for the two mirror each other. Rob Wright eloquently expresses how we are to look within to see that change we hope for our country, and witness it manifest for all to see.
