Craving (The Willow Creek Vampires Series Book 1) Stephanie Summers
Welcome to Willow Creek. People are happy, crime is practically nonexistent, life is good…unless you're Sabine Crowley, who has been chosen as the next offering by the vampire lord who has protected the town from otherworldly creatures for 200 years.

Sabine has big dreams for her life, and none of them include becoming dinner for a vampire. On her 18th birthday, she seeks solitude to process the cruel turn her destiny has taken. As she sits alone in Cleary Park, a mysterious stranger approaches her. He's tall, handsome, and a complete jerk. He soon reveals himself to be a vampire, and she's terrified of him and her strange attraction to him. She wants to get as far away from him as possible, yet finds herself wondering if she'll see him again.

Remy has been summoned by his maker, Bastian, to take his place beside him in the hierarchy of vampires inhabiting Willow Creek. He's none too thrilled to be stuck in a boring little town in the USA where he'll have to feed exclusively from the girl he's been paired with. He's repulsed by the whole situation, and would do just about anything to get back to his home in London.

When Sabine tries to run away from her fate, Remy is tasked with bringing her back. Though they can't stand each other, they find an undeniable attraction between themselves. Will they ever look past their contempt for one another? Or are they destined to hate each other forever?
