Best Seller - Colouring Books for Grown-Ups

It's 6:30 PM. By some miracle, one of your kids is asleep while the other is watching cartoons in a food coma. Quick! Here's your chance! Grab some coloured pencils and markers, this colouring book, and run to the bathroom (don't forget the wine)! First, lock the door and enjoy the solitude of private urination. Second, gulp down that wine and enjoy the most relaxing five minutes of your day as you surrender to the quietness and creativity of colouring. Celebrate the humor and frustration that are the highs and lows of motherhood featured in the pages of this book.

#Momlife is the best life!

Happy Colouring!
