Garden of Desires: The Evolution of Women's Sexual Fantasies Emily Dubberley

A provocative new collection of women's sexual fantasies for the *Fifty Shades* generation

Female sexual fantasy began in 1973 with Nancy Friday's multi-million-selling collection of real women's fantasies, *My Secret Garden.* Until that book was published, female sexual fantasy did not exist; not even within the pages of *Cosmopolitan*, their opinion at the time being: "Women do not have sexual fantasies, period. Men do." Friday's book changed all that. Now, 40 years after Friday's masterpiece, leading sex writer Emily Dubberley is curating a brand new female fantasy classic for the modern era. It's a post-*Fifty Shades*, post-*Sex and the City* world, and in *Garden of Desires*, hundreds of real women share details of their most private thoughts. This is an exploration of the meaning of desire. Dare to read, dare to dream, and dare to discover the new truths of female sexuality. The stories are red hot, completely original, and they'll make your heart beat faster.
