We've all heard about it before and we've all speculated it at one time or another. What will happen prior to Jesus' return? When will "The Rapture" happen? What is going to happen to the world when Jesus does come back? The fact of the matter is that the Second Coming is, according to author Herbert Brunswick, one of the most widely discussed topics in the Bible, even more than the gift of salvation.

Why is the Second Coming, the rapture, the tribulation such a hot-topic in not only the Bible, but also within the church and other religious circles? People have been speculating about the rapture for decades; one claims this, another one claims that, one person thinks it will happen this way, another that way. Brunswick is here to tell us the Truth about the Rapture, as he references God's warning in the Bible about deception by Satan regarding the rapture.

Brunswick hopes that this book will simply and clearly reveal the hidden truth about how the true followers of Christ will meet Him in the air and what we can except to happen as truth and even as deception prior to His return.

If you're open to learning all positions on how and when true believers will meet the Lord in the air, then this book is for you.
