Amistad

Michael Zeuske

Amistad Michael Zeuske
The 1839 Amistad revolt and the fate of the African slaves on board are well documented in books and in a blockbuster film. Michael Zeuske adds a new dimension to this history: the story of the people behind the Amistad. Based on his discovery - in previously unknown collections in Cuba and Spain - of the captain's logbook, the cook's notes, and the merchants' ledgers and correspondence, he paints an eye-opening portrait of the slave trade between Africa and the Spanish Caribbean.
