Clinical Skills for Healthcare Assistants and Assistant Practitioners

Clinical Skills for Healthcare Assistants and Assistant Practitioners is an accessible, easy-to-read guide, outlining the fundamental and core skills integral to clinical practice.

Fully updated in its second edition, this book is divided into three sections; the first looks at fundamental skills applicable to all staff, such as accountability, communication and record keeping. Section two explores core clinical skills such as respiratory care, pulse, blood glucose management and catheter care. Section three outlines complex clinical skills that require more in-depth training, such as medication and intravenous cannulation.

An invaluable resource for healthcare assistants and assistant practitioners, this book will also be of use to newly qualified practitioners, and students in health and social care.
