20 Years Later: A Celebration Of Life:: A Pay it Forward/Random Acts of Kindness Story Scott C Schluter
This book is about an amazing viral event that took place between Thanksgiving and Christmas of 2012. It all started with the hope of an electronic memorial for a boy named Marc Schluter who died 20 years earlier. His big brother hoped for some stories and pictures and he asked for one simple thing: to do something for someone else in Marc's name. Marc's brother never expected this to go beyond his hometown of Wareham, Massachusetts...but it did. It exploded into a global outpouring of love. A Pay it Forward and Random Acts of Kindness event that boasted over 1,000 people doing amazing things all in the name of a deceased boy. This book takes you through the back story behind the tragic loss of Marc and on through to postings from Facebook during the event. It is a story of a boy who would give you the shirt off his back, even after his death. Your heart will probably melt and your eyes will likely moisten while reading this story. I hope you join our yearly event. http://payitforwardmarc.wordpress.com/
