A Sense of the Supernatural - Interpretation of Dreams and Paranormal Experiences Yitzchak Ginsburgh
As we move through life, we are constantly being addressed through both our normal and paranormal senses. Kabbalah teaches us that we can always benefit from these signals by adopting a dual strategy: the innocent path of simplicity together with the focused approach of rational analysis.

"For some years now, I have been aware that I have the ability to tap into other worlds and experience various paranormal events... Should I try to work to eliminate these experiences from my life, and if so, how?"

"I have a question regarding the removal of a curse on land and turning it into a blessing. Can you tell me any procedures or do's and don'ts concerning this? Any information will be appreciated."

"I have had several very significant dreams that have so disturbed me... No one I know really seems to have any insight into what these dreams may mean. I would greatly appreciate any wisdom you might pass on to me."

In this selection of letters concerning dreams and paranormal experiences, you will find detailed answers to these questions and others. Studying the replies in this volume will present you with a new, fuller and clearer attitude towards perceiving and interpreting the spiritual phenomena that you may experience.
