Some study Bibles are born simply to be popular. The Master Study Bible was created nearly twenty years ago...simply to be powerful. And now, this standard in authentic Bible study appears again with solid additions to its original cast, redesigned for a new generation and ready to take Bible students deeper than ever.

Many students will value the fact that the Master Study Bible keeps the text of Scripture separate from the many study tools. This enables the reader to give clear focus on the Bible text and then go from there to the great variety of tools available within one cover.

The Master Study Bible center-column reference system links you to thousands of related passages in the King James text, as well as alternate readings for obscure and difficult-to-translate words. They create a systematic approach to Bible study, allowing the Bible itself to serve as it own best commentary.
