Sparkle-Down Sky

Ella Anne

Sparkle-Down Sky Ella Anne
In their own right everyone is a star, but there are only so many stars in the night with so many stories to write.

Catch a beam of moonlight, put it in your pocket, and you end up with a pocketful of moonbeams. Transfer them to paper, and they become a memory for a rainy day.

"Our existence, it seems, is an issue ofwhy,
and all that we are, and all we have been
comes from the stardust of sparkle-downsky
this is the destiny controlling all men."
