The Definitive Guide to Trading Binary Options: A Complete Binary Options Trading System Steven Harcourt
A trading plan is essential if you are to trade profitably. This is the case with Binary Options just as with every trading instrument. This extensive book takes the reader right through from explaining the basic concepts of Binary Options to outlining a comprehensive plan to trade them. It shows the importance of controlling risk and having a logical and cohesive method to analyse markets and find the best opportunities. It also shows readers how to develop their own written trading plan, capture the results of their analysis and make trading decisions. The purchase also includes downloads of free software and supporting materials to enable traders to put the system into operation.
