SHE HAD MOVES NO ONE COULD MATCH

And that kept superspy Nadja Stefn alive on many an undercover assignment. Until one slip changed the game forever.

It happened one icy cold night…two spies on the run, holing up together…the night Nadja wore red. They exchanged no names, and five years later Nadja still didn't know the identity of her child's father. Until she was chosen for a mission that paired her with her mystery lover.

When the assassin they're after kidnaps their daughter, Nadja faces a terrible choice: A) deliver her daughter to this vicious criminal, or B) lose her child forever. But master game player Nadja might just go with option C.…
