Atlas of Chick Development, Second Edition

Ruth Bellairs, Mark Osmond

Atlas of Chick Development, Second Edition Ruth Bellairs, Mark Osmond
This outstanding work is the only modern book devoted to the chick embryo and has been an essential resource for geneticists, molecular and developmental biologists, and other life scientists who use the chick embryo as their research model. This new enlarged and updated second edition is published in response to continuing demand. The text provides a detailed description of development, from fertilization to hatching, with emphasis on the earlier stages though also covering individual organ systems in detail. There are reviews of the more recent molecular research and a new section highlighting the important landmarks in the history of chick embryology which have had an impact on our understanding of developmental processes. The book is beautifully illustrated with 74 text-figures and over 500 photographs, including nearly 200 new scanning electron micrographs.

New to This Edition:
* Updated and expanded text to accompany diagrams
* More than 200 new labelled scanning electron micrographs showing individual tissues in great detail
* Reviews of recent molecular research
* Discusses the roles of genes such as Hox genes, BMPs, and sonic hedgehog during early development
* New sections on genetical anomalies, techniques, and the poultry industry

From reader reviews:

Mildred Duncan:

What do you about book? It is not important along? Or just adding material when you really need something to explain what the ones you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They should answer that question mainly because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need that Atlas of Chick Development, Second Edition to read.

Alfredo Dunn:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Atlas of Chick Development, Second Edition can make you really feel more interested to read.

Samuel Brooks:

Reserve is one of source of knowledge. We can add our knowledge from it. Not only for students and also native or citizen will need book to know the update information of year to help year. As we know those guides have many advantages. Beside most of us add our knowledge, also can bring us to around the world. From the book Atlas of Chick Development, Second Edition we can take more advantage. Don't you to definitely be creative people? Being creative person must want to read a book. Merely choose the best book that appropriate with your aim. Don't become doubt to change your life by this book Atlas of Chick Development, Second Edition. You can more inviting than now.

Steven Barraza:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from your book. Book is prepared or printed or illustrated from each source this filled update of news. On this modern era like at this point, many ways to get information are available for anyone. From media social like newspaper, magazines, science publication, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just looking for the Atlas of Chick Development, Second Edition when you required it?
