Back to Front and Upside Down Claire Alexander
It's the principal Mr. Slipper's birthday, and while the rest of the class gets busy writing cards for the occasion, Stan becomes frustrated when his letters come out all in a muddle. Stan is afraid to ask for help, until a friend assures him that nobody's good at everything. And after lots and lots of practice, Stan's letters come out the right way round and the right way up.

This delightful book deals with a common childhood frustration and will remind readers that practice pays off and that everyone has to ask for help sometimes.
