The Depth of the Riches: A Trinitarian Theology of Religious Ends (Sacra Doctrina: Christian Theology for a Postmodern Age) S. Mark Heim
A constructive new proposal for Christian dialogue with other faiths.

Religious pluralism is today the most challenging issue facing traditional Christianity. This constructive work by a leading voice on the subjects of religious pluralism and interfaith relations probes the Christian understanding of God and salvation and offers a new perspective on religious pluralism that affirms unique salvation in Christ while also recognizing the religious ends of other faiths.

The questions explored here are both difficult and enlightening. What is the distinctive nature of salvation? Is there a place in Christian theology for recognizing other religious ends in addition to salvation? In pursuit of meaningful answers, S. Mark Heim uses the classical doctrine of the Trinity to develop a theology that allows Christians to respect the possibility that alternative relations with God exist in other religions.
