The Vampyre: A Tale

John William Polidori

The Vampyre: A Tale John William Polidori
The Vampyre: A Tale is based on a fragment written by Lord Byron in 1816 during a gathering of author friends who, trapped inside due to bad weather, decided to write ghost stories. It was the first vampire story in English prose, and as such had a wide-ranging influence, almost single-handedly creating the now-popular image of the vampire as an aristocratic seducer.
