Un amor que destruye ciudades (Libros del Asteroide) (Spanish Edition) Eileen Chang

Sinopsis

Un amor que destruye ciudades está ambientada en la China de los años cuarenta: los Bai, una familia tradicional de Shanghai, buscan pretendiente para una de sus hijas solteras. Cuando la señora Xu les presente a un rico heredero, Fan Liuyuan, este se quedará prendado de otra de las hermanas: la joven y bella divorciada Liusu, quien ante la animadversión de sus hermanos decide instalarse en Hong Kong y alejarse del yugo familiar.

Eileen Chang es una de las grandes escritoras chinas del siglo xx, sus narraciones reflejan los sentimientos y aspiraciones de una clase media emergente en una época en que los valores estaban cambiando de manera vertiginosa. Pese a la inestabilidad política del tiempo en que escribió y ambientó sus historias, su autora diría de ellas: «Solo quiero escribir sobre las cosas triviales que suceden entre hombres y mujeres; no hay guerra ni revolución en mi obra porque creo que cuando las personas se enamoran, son más inocentes y están más desamparadas que cuando luchan en guerras y revoluciones». El presente volumen, el primero de la autora que se traduce al español, recoge dos de las piezas más representativas de su producción narrativa: la novela corta *Un amor que destruye ciudades* y el relato *Bloqueados*.
