Behind the facade of piety and respectability, the true face of Victorian England was rather more...dirty. In these three kinky, sexy, twisted tales, submission is demanded and innocence is despoiled. Are you ready to see the **Dark Hearts and Dirty Secrets** of the Victorian Age?

Story One: Hunted in the Woods and Taken

When Lord De Vere catches Alice stealing from him, she expects him to discipline her. But the punishment he inflicts on her is more twisted and debauched than innocent Alice could ever imagine. She is released into the woods - and then Lord De Vere and his men hunt her down, like predators chasing prey.

But the real punishment is yet to come, for when he catches her, Lord De Vere decides to truly teach poor Alice a lesson. Bound to a tree, she loses her innocence to the sadistic lord, and her own deepest passions and desire are brought bubbling to the surface. When the ordeal ends, Alice had tasted true pain and pleasure, and is an innocent no more.

Story Two: Amelia's Punishment

Amelia is a curious and adventurous young woman. Perhaps too curious. She should never have trespassed in the forbidden room. Should never have become so wantonly excited by the depraved painting and objects found within it. And now she must be punished. It would seem that Lord Mountjoy, her protector and mentor, has hidden depths. He will be the one to punish her. He will be the one to inflict pleasure - and pain - beyond measure. And Amelia will be his - forever

Story Three: Taken at the Masquerade

For Eliza, the masked ball should be the fulfillment of all her fantasies. Finally allowed to attend by her strict parents, she can hardly contain her excitement at the thought of dancing, champagne and romance.

But within the hedge maze, danger lurks. Hunters, looking for their prey. Her. They intend to have her, and Eliza is too innocent to avoid their trap. But perhaps she is not so innocent, for something awakens inside her, and dark desires she never knew she possessed rise to the surface. As the night draws to a close, Eliza is no longer a naive young woman, but a harlot who knows exactly how to embrace pleasure - and pain.
