Sherlock Holmes: The Missing Years; The Adventures of the Great Detective in India and Tibet
Jamyang Norbu

A new Sherlock Holmes mystery worthy of the master Sir Conan Doyle himself.
In 1891, a horrified public learned that Sherlock Holmes-in a last deadly struggle with the archcriminal Professor Moriarty-had perished at the Reichenbach Falls in Switzerland. Two years later, popular demand made Sir Conan Doyle resurrect the great detective. Holmes informed a stunned Dr. Watson, "I traveled for two years in Tibet, therefore, and amused myself by visiting Llasa."

Nothing has been known of those missing years until Jamyang Norbu's discovery of the Mandala, a carefully wrapped package in a rusting tin box. When opened, the package reveals a Bengali scholar's own account of his travels with Holmes. The Mandala holds the key to a mystery and tells the story of Holmes in a landscape so fascinating, a game so intriguing, that it is impossible to resist. An exciting, often richly humorous detective story, *Sherlock Holmes: The Missing Years* also evokes the romance of Kipling's India. Jamyang Norbu has written a mystical, playful, and witty page-turner.
