From Book 1:

The Device Would Let Him Own Her.

Jared, just a normal guy, hasn't been happy in a long time. Ever since he got laid off, he's been living with his parents and performing errands for them to pay his way. Then, he finds a hot device capable of making **any woman do anything** at all that he wants…including fulfilling his **dirtiest, most erotic desires!**
Of course, the very first thing he does is show it to his beautiful, innocent neighbor Carmen. She's so gorgeous, she could be a model. Of course, Jared immediately realizes what she could REALLY be is a **fantastic sexual servant** for him and him alone…
