Wallace King

Edenland Wallace King

Born a slave, Bledsoe had never left Our Joy plantation, and a daring escape offers his only chance for liberty. On the run he encounters Alice, an Irish indentured servant, committing what appears to be an act of murder as she burns down a shack in the Great Dismal Swamp of North Carolina.

Faced with the threat of capture, Bledsoe and Alice become reluctant allies. An epic tale unfolds as their quest for freedom pulls them from swamp to city, from North Carolina to Virginia. Somewhere between injustice and loss, they discover a hidden place that seems an Eden, where their bond and love are forged.

But the Confederate army is on the march and soon tramples their tenuous freedom. Separated, they are cast into fates they never imagined. Through it all, the hope of deliverance drives them onward and the memory of their Edenland remains, burning bright against the darkness of slavery and the American Civil War.

From reader reviews:

Lavelle Hildreth:

Book is to be different for each and every grade. Book for children until eventually adult are different content. As it is known to us that book is very important usually. The book Edenland has been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The publication Edenland is not only giving you far more new information but also for being your friend when you sense bored. You can spend your personal spend time to read your book. Try to make relationship using the book Edenland. You never feel lose out for everything should you read some books.

Myra Lopez:

Do you one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys this aren't like that. This Edenland book is readable through you who hate the perfect word style. You will find the data here are arrange for enjoyable looking at experience without leaving actually decrease the knowledge that want to deliver to you. The writer associated with Edenland content conveys the thought easily to understand by many people. The printed and e-book are not different in the articles but it just different by means of it. So , do you nonetheless thinking Edenland is not loveable to be your top collection reading book?

Ida Green:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want send more knowledge just go with schooling books but if you want really feel happy read one having theme for entertaining for example comic or novel. The particular Edenland is kind of reserve which is giving the reader unstable experience.

Gerald Wright:

Your reading sixth sense will not betray an individual, why because this Edenland publication written by well-known writer who knows well how to make book that can be understand by anyone who also read the book. Written with good manner for you, dripping every ideas and producing skill only for eliminate your own hunger then you still doubt Edenland as good book not simply by the cover but also from the content. This is one reserve that can break don't judge book by its handle, so do you still needing a different sixth sense to pick this specific!? Oh come on your reading sixth sense already said so why you have to listening to another sixth sense.
