Random Acts of Kindness

Random Acts of Kindness

It’s often said there’s not enough kindness in the world. The men in this collection want to change that by reaching out a helping hand to a stranger or friend in need. They prove that an act of compassion?no matter how big or how small?can make a difference. From sharing a table in a crowded cafe, to giving of their time and food or letting someone in on a difficult turn, these men prove that kind-heartedness goes a long way. Their good deeds open the doors to many possibilities: lasting friendship, meaningful connections, the chance for love, and much more. Join them on their journeys to make someone’s life a little bit brighter and maybe find romance in the process. It all starts with a random act of kindness.
