The World Rose Richard Brittain
An epic fairytale romance set in a semi-fictional ancient world, containing elements of action, adventure, poetry and comedy. The title has a triple meaning: the central character is a renowned beauty - 'the rose of the world' - while the rose flower features heavily in the plot, and it also implies that the world rose up. When Ronwind Drake discovers treasures in a distant paradise, a new golden age seems set to begin, but Ella Tundra will find that all which glitters is not gold as she faces many obstacles in her quest for true love.
